MC/DTE/PARENTS/DO/2021

17 April 2021

Dear Parents,

1. Please refer to Para 5 of my letter dated 16 April 2021.
2. The CBSE has informed us that a decision on the dates for the board exams will be taken on 01 June 2021. Thereafter, they will give minimum 15 days' notice before the exams start. Thus, the exams will start two months from now at the earliest.
3. The school has conducted two pre-board exams for the students. They were ready for the exam starting on 04 May 2021. They now have much more time to revise and prepare for the exam. They are free to approach their teachers for any assistance on phone, by email or even by video conferencing.
4. You are requested to arrange for your ward to return home at your earliest convenience.
5. We will be ready to receive the students back on the campus 48 hours after the promulgation of the date sheet.

Warm regards,
Surendra
