

Cray Club

Teacher In-charge

Mr. S. Sriram

President

Anmay Agarwal

Achievements

The election for Cray Club was conducted in the month of Aug 2017. Students elected Anmay Agarwal as President of the Cray Club for the session 2016-17. He was one among the National Finalists in Microsoft Championships 2016.

Workshops on various tools were conducted for the members of Cray Club. Students were keen to see newer technologies come to school and give them better exposure. Accordingly a Microsoft PoC was also conducted at School for Junior School students and teachers to make them familiar with 21st century learning tools.

In the beginning of the session, students were given a thorough insight into Software Designing, Animation, Free and Open Source Software, Adobe Premiere and Office Mix.

1. The Cray Club members are currently working on projects which include "PHP", "Robotics", "Internet Technologies", "Smart Technologies" and many more.
2. Four students of the Club participated in the MCGS Silver Jubilee Commemorative Young

3. Thinkers' Conclave-2016 and were ranked Second
3. A five member team visited Rajkot for IPSC IT Festival 2016 and secured second position in Website designing.
4. A nine member team visited CMS Lucknow and participated in the IT event to get exposure on International computing skills and new technologies in IT.
5. Four students were selected for MOS Championship Nationals at New Delhi did us proud.
