The election for Cray Club was conducted in the month of October. Students elected Kanak Arora as President of the Cray Club for the session 2015-16. He was among the National Finalists in the MoS Championship 2015. The President motivated students to put in their best efforts and requested the senior members to help the juniors so that they can work as a team. Cray Club members shared their views regarding IT competitions, IPSC, Prize Giving and workshops on various tools were conducted for the members of Cray Club. In the beginning of the session, students were given a thorough insight on Sway, Auto Collage, Pictochart, App Development, Free Open Source Software, Adobe premiere and PowerPoint 2013. Cray Club Members plan to utilize their learning in making projects for IPSC, IT-Competition and Prize Giving.

Achievements

The Cray Club members are currently working on projects for Prize Giving function which include "Android Apps", "Robotics", "Internet Technologies", "Cloud Technologies" and many more.

1. Three students of the Club participated in the Silver Jubilee celebration in MCGS and Six member team visited YPS Patiala for IPSC-IT and secured positions in Website designing and Brochure Designing Competitions. Overall we were ranked third in the event.
2. This year we are proud to share that four boys- Kanak Arora (XI), Parth Dalmia (XI), Anmay Agarwal (X) and Prket Vanu (VIII) had been selected for MoS Championship India finals. A proud achievement indeed.
