

They won laurels and accolades innumerable that we bask in the glory of today recalling those wondrous times that were and are yet to be.

# COLVIN House

The past year was a memorable year for the house and the boys who put their heart and soul into their work and lived every day for the glory and honor of the house with their individual achievements and awards and By playing in the team. They won laurels and accolades innumerable that we bask in the glory of today recalling those wondrous times that were and are yet to be.

Gurmat Brar was appointed the House Captain and Raja Daniyal Khan the House Prefect under whose able leadership the house progressed in leaps and bounds creating opportunities and paving way for the young kids to follow. Gurmat emerged as a lead debater in English who participated in numerous competitions outside and bagged a few best speaker positions, growing in confidence with each step and inspiring many budding speakers to take up Public Speaking. Under his leadership the house became English Debating Champions consecutively among the seniors.

This year was a year of highs and lows and more highs as it saw an unprecedented lot of boys who took various captaincies of varied disciplines and sports and set a new benchmark for others to emulate.

The champion athlete Adhyayan made a huge beginning for all setting standards high with his exceptional consecutive victory in record time in the inter house cross country event and then setting a new record at the IPSC Athletics Meet in the 5000m for others to emulate and

learn from. In recognition of his exemplary talent and commitment to sports, he was given Captainship of both Athletics and Cross Country which is a proud achievement for the house.

Vansham Gurung was appointed the College Basketball Captain who represented the school in various tournaments here and outside bringing laurels to the house and school. Pranjal Abani was chosen as the captain of the College Table Tennis team and he did well to inspire and push young players to play for the school. Prakhar Sachdev took the position of the College Weight Lifting Captain and won the prestigious Mr. Mayo Contest with aplomb. He was instrumental in inspiring and motivating numerous young students to take up fitness as a serious thought and work on the physique with a motive.

Hanut Singh led the students across houses and classes into Community Service with an example and was instrumental in bringing forth this valuable aspect of school life. For his zest

Housemaster  
Mr Rakesh Alfred

House Captain  
Gurmat Singh Brar

**Housemaster**

Mr Vijay Jangra  
Mr Vikas Sharma  
Mr Amzad Hussain

**Resident Dame**  
Mrs Sangeeta Debnath

**House Captain**  
Gurmat Singh Brar

and commitment, he was appointed the College Community Service Captain to which he did justice with a deep sense of duty. Raja Daniyal Khan and Shardul Gang represented the school in Fine Art and Cultural Competitions of repute here and outside and won laurels for the house with their commendable performances and skill. Gurmat, Rakshit and Daniyal represented the school in Inter School quiz and debates outside and did fairly well. Raskhit was also instrumental in the publication of the College magazine and contributed substantially to its compilation this year.

Rajat Gupta, Uday and Dushyant played for the school Cricket Team in various prestigious tournaments as key players of the school team proving to be great assets with their skills. Jai Bhargava represented the house and the school at various prestigious football tournaments of State, the IPSC and also the National Camp at the Andamans. Shivendra and Sayyam played for the school hockey team whereas Shrey, Vedansh and Suryansh played for the school squash team at various tournaments and won laurels.

Nirwaan Jain was chosen to represent the school at the Eton College as an exchange student where he proved to be an able ambassador of the school and brought honors to the house. Divyajeet Singh represented the house and the school at the ceremonial Republic Day Parade in Delhi and the Prime Minister's Retreat where he got this rare opportunity of meeting the President of India, the PM and the Chief of Naval Staff. He won accolades for his commendable achievements.

There is a lot that remains to be accomplished and achieved in the following year for which new resolutions have to be formed and honored in earnest; new standards have to be set yet ahead for the young who are watching in awe and

bewilderment and a deep set hope in this evolution of the spirit unfolding day by day.

A large number of our boys volunteered for the community service activities willingly and dedicatedly, always more in number all through the year at various places, especially at the Bal Prakash Ashram and made palpable contributions in all sincerity.

The end result is the collective effort of all the students and the faculty who aim to achieve that which seems impossible at the outset but is made attainable by building belief and conviction among the students that propel people forward and help them stand tall in the face of all odds which to our thought is the real and wholesome purpose of education in the true sense of the word.

We must mention Ms Sangeeta Debnath, the Resident Dame, Mr Ravi, the AHM, Mr Vikas, Mr Amzad, Mr A Dey, Mr V Sharma who were the witnesses to this wonderful transformation and the mentors to all boys who learnt from them all immensely in their diverse capacities.

The students of Colvin House
