PARENTS TEACHERS ASSOCIATION (PTA) AY 2022-23

Dear Parents,

I trust this mail finds you and your family well. We live in difficult and challenging times. We pray for the well-being of each one of you. Please take care of yourselves and stay safe.

As per the provisions of prevailing laws and directions from our Board of Governors, the parent of every student and teachers of the school will become members of the Parents Teachers Association (PTA) for academic year 2022-23.

An annual amount of Rupees Fifty shall be collected from each member of this Association. We shall debit this amount from your wards account.

The Chairperson of this Association will be the Director of the school.

We look forward to sharing the next steps including the modalities of convening a meeting of this Association as soon as the conditions are conducive to holding it.

Thank you for your continuous support which we value greatly.

Warm regards,

Surendra
